Project Cargo Handling

Smart Marine excels at moving virtually anything, anywhere—big, complex, or unique project cargo. Our project handling includes:

- Out-of-Gauge or Over-Weight Cargo
- Heavy Lift or Over-Dimensional Cargo
- Dry Bulk Commodities
- Break Bulk Shipments
- Exhibitions and Convention Arrangements

We've managed intricate projects for Fortune 500 companies across various industries, including construction, oil and gas, chemicals, nuclear, manufacturing, aviation, and electrical sectors. Our team coordinates special transport equipment and personnel, surveys routes, secures permits, manages port requirements, and oversees rigging, loading, and unloading. We provide a comprehensive plan that anticipates contingencies and keeps you informed throughout the process. Our successful projects showcase our ability to achieve the seemingly impossible.

Container Trading & Leasing

Smart Trade Connections Private Limited provide a variety of new and used containers for sale, lease, and rent. With a global network and vast inventory, we offer high-quality containers at competitive prices.

Our container leasing division partner with leading leasing companies to ensure flexible leasing options, efficient repositioning, and competitive rates. We offer new and used containers, adhering to IICL-5 standards, tailored to your budget, lifespan, and destination needs.

Extensive Container Fleet
